### NOTES

**a. EQUIPMENT**

***No experience is required to attend***

Discuss with Assessor. Try to bring own but there is equipment to hire. If being assessed, you need your medical kit & repair kit.

**b. ASSESSMENT**

If you are ready with your practical skills you may choose to be assessed. In that case tell us and fill in the Assessment Registration Form here. Before receiving your certificate you will need / 1. Current Wilderness First Aid Level Three / 2. Logbook for the activity, minimum 21 days entry level or 40 occasions more advanced.

**c. PAYMENTS**

You must confirm attendance in advance and pay a deposit. Tell us your preferred terms of payment. We invoice you.

**d. COMPUTER**

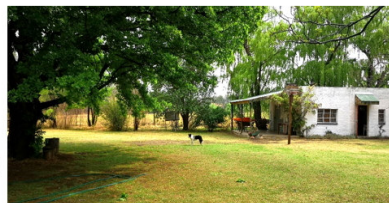

The GASG materials can only be properly handled on a computer, not a smartphone. Bring a laptop or make arrangements with us for a hired one. Use of our wifi is free.

**e. TRANSPORT**

Use your own transport for field assessments. We may accommodate those without in our 4x4. If you need to be collected from a bus station make arrangements with us.

**f. PREPARATION**

We send notes to read in advance. This will save you time. It will also help if you get Client Review forms from 3 of those you have led on activities. Form here.
